WORKING ON THE GEAR AND TENT CREW

Physical Requirements: You must be able to lift 50-80 pounds repeatedly throughout the weekend as well as bend, squat and reach consistently. You must have a valid driver's license and be comfortable driving a 26' truck.

Opening Ceremony Responsibilities: Load, secure, transport, unload and organize all participants' gear from the Opening Ceremony to camp on Friday.

Camp Responsibilities:

- Distribute and collect sleeping tents from all participants and crew members.
- Help walkers find their gear (bags may look alike).
- If there is inclement weather, load and secure participant gear and tents for safe keeping.

Saturday Route Assistance: The team may be asked to assist with the Saturday route.

Closing Ceremony Responsibilities: Load, secure, transport, unload and organize all participants' gear from camp to the Closing Ceremony on Sunday.
