

PACKING LIST

Your gear bag should be:

- 35 lbs. or less
- One piece, including sleeping bag (inside or securely fastened to the outside)
- Labeled with your name, Participant ID#, tent address and cell phone number
- Marked with something to help you pick it out of a crowd
- Ideally a duffel bag; wheels, if any, should be sturdy enough to handle grass or gravel
- NOT a trash bag
- NOT fastened with bungee cords

Crew members will transport your gear bag from the Opening Ceremony to camp, and from camp to the Closing Ceremony. Just pick it up from the gear truck that matches your tent address. If you're not sleeping at camp, Gear Truck Z will transport your gear during the event.

Night before:

- Charge your phone
- Print your credential** and set out (near your clothes or waist pack is a great place)
- Be sure your waist pack is stocked with everything you need (extra socks, chapstick, etc.)
- Check shuttle times (if you're staying at the host hotel)
- Plan for a morning snack/breakfast (limited pit stop snacks (i.e., string cheese, carrots, chips) will be available at the Opening Ceremony site, please plan accordingly)
- Don't forget your water bottle. We will provide water and sports drink in large dispensers, not in individual bottles, so you must bring your own water bottle. Wide-mouth bottles will be easier to refill.

Please note that the Susan G. Komen 3-Day® is not responsible for personal items brought to the Komen 3-Day. You are discouraged from bringing items of value, including jewelry, expensive cameras and personal electronics (e.g., iPads®) on the event. There will be limited availability to charging stations at camp on a first-come, first-served basis. There will also be complimentary towels and a few hairdryers available in the shower area for your use.
